Not just a design album, this book is also sort of a history book that looks at how collapsibles have evolved since their existence. There are hundreds of examples included from different eras. Even older designs look great because of the level of creativity involved in creating them. These designs included foldable bikes, chairs, lamps, ladders and many more. All are categorized by their ...

Collapsibles: A Design Album of Space-Saving Objects. Per Mollerup by. Per Mollerup. 4.56 · Rating details · 9 ratings · 1 review Collapsibles are objects that fold out for use and then fold back in again to save space. They include anything from sofabeds to Swiss army knives. Per Mollerup identifies 12 essential principles of collapsibility and looks at examples of each. Get A Copy. Amazon ...

Collapsibles: A Design Album of Space-Saving Objects. Per ...
Bursting with ideas and visual ingenuity, peppered with wit and humour, 'Collapsibles' is an album for inspiration---a designer's dream sourcebook and gadget-junkie's joy. Functional and fashionable, funny and sometimes far-out, here is an entire world of collapsibles, objects that fold out for use and fold back in again for storage. Per Mollerup brings together a fascinating array of design classics, historic curios and up-to-the-minute gadgetry in over 500 illustrations and diagrams: tents ...
