#3 - Network Marketing Professionals Do NOT Chase Family and Friends. One of the first things that most network marketing companies have you do, when you join them, is ask you to create a list of ALL your family and friends so you can reach out to them with your home-based business opportunity. This list of names is known as your warm market.

9 Simple But Powerful Marketing Secrets of the Network ...

But gradually in a few weeks, I was able to realize that something very big can be done by taking a network marketing career option. Hence, I was wondering in my mind if I should do the business full time & leave my 9-6 job. But a question was again & again tickling in my mind - Is network marketing a good career?

Is network marketing a good career? YES or NO?

Network marketing is a business model that depends on person-to-person sales by independent representatives, often working from home.

What Is Network Marketing? - investopedia.com

Unlike single-tier network marketing, two-tier network marketing does involve some recruiting, but your pay isn't solely dependent on it. You get paid for direct sales (or traffic you drive to a website) and for direct sales or referred traffic made by affiliates or distributors you recruit to work under you. An example of a two-tier program is Ken Envoy's Site Sell.

The Network Marketing Business Model

Network marketing, also known as multi-level marketing, is a business model which involves a pyramid structured network of people who sell a company's products. The participants in this network are usually remunerated on a commission basis. That is, people in this network get commission every time they perform the specified task, like -
