The adjective essential is often followed by to or that: It is essential to wash your hands. It is essential that you dry them after. This adjective is from Middle English essential, from Late Latin essentialis, from Latin essentia "the basic nature of a thing, its essence" plus the Latin suffix -alis "relating to."

For instance, an average English speaker should have an active vocabulary of about 20,000 words. But it is worth noting that vocabulary extends beyond recognizing a word, you also have to learn how to use it. That is why, despite having an active vocabulary of 20,000 words, the average passive vocabulary of an English speaker is about 40,000 words. In order to effectively master a new language, it is essential to master its basic vocabulary. Usually, a person's vocabulary grows with time ...
