Clinical Cases articles: The New England Journal of Medicine

Above all, 100 Cases in Clinical Medicine is an indispensable revision tool for medical students preparing for clinical examinations or OSCEs. Furthermore, Using scenarios which mimic daily life, the cases will interest students in clinical problems. And also help them develop their clinical reasoning skills, with each case presenting details of a patient's medical history and the key findings of a clinical examination, together with initial investigation results for evaluation.

100 Cases in Clinical Medicine PDF Free Download | IDirect ...

ClinicalCases.org was featured in the British Medical Journal and Medscape.com, and was referenced several times in the medical education literature. The project is hyperlinked in the websites of 37 medical schools in the U.S., Canada, South America, Europe and Asia, and has had more than 7 million page views since 2005.

Clinical Cases and Images

These cases are no substitute for clinical experience with real patients, but they provide a safe environment for students to explore clinical problems and their own approach to diagnosis and management. Most are common problems that might present to a general practitioner's surgery, a medical outpatients or a session on call in hospital. There are a few more unusual cases to illustrate specific points and to emphasize that rare things do present, even if they are uncommon. The cases are ...
