America, Russia, and the Cold War, 1945-1966 examines the foreign policies of both countries in this historical setting. Professor LaFeber concentrates on two key periods in the Cold War--the first is the period from 1944-1946 when the situation intensified and the second is the mid-50s when it assumed a new shape. In the events of 1945 and 1946, he finds the background for Stalin's later moves in Germany and Korea as well as for the American policies which resulted in the Truman Doctrine ...

The end of the Cold War gave the United States and Russia new opportunities to cooperate. Russia took over the permanent seat (with full veto power) previously held by the Soviet Union at the United Nations Security Council. The Cold War had created gridlock in the council, but the new arrangement meant a rebirth in U.N. action.

#### **The Relationship of the United States With Russia**

The political divide between America and Russia began with the the globalist cabal sponsored subversion of both nations during World War I. President Woodrow Wilson broke trust with his voters in 1913 by signing into law the globalist cabal's demands for a privately owned central bank (the Federal Reserve) and a graduated tax on earned income (hallmark of the middle class).

Politico reported that CIA officials are limiting how much information about America's Cold War foe — including intelligence about Russia's disinformation efforts around the U.S. presidential election — makes it to the Oval Office. Part of the reasoning, according to the report, is that Trump is highly sensitive — and sometimes critical — of anything Russia-related.

Stephen F Cohen, the renowned American scholar on Russia and leading authority on US-Russian relations, has died of lung cancer at the age of 81. As one of the precious few western voices of sanity on the subject of Russia while everyone else has been frantically flushing their brains down the toilet, this is a real loss. I myself have cited Cohen's expert analysis many times in my own work ...

The end of the Old Cold War was thought by many to have made the return to such a dark scenario an utter impossibility, but the previously thinkable might be about to repeat itself very soon following the US' START ultimatum to Russia earlier this week. That acronym refers to the latest Strategic Arms Reduction Treaty which limited the number of nuclear warheads on each side and restricted ...
