Ananda Marga Elementary Philosophy

This was the first-published of the more than 250 books of Shrii Shrii Anandamurti, and continues to hold its place as an introduction to his entire philosophy. Its speciality is the use of formal, though simple, logic to make an utterly convincing case for the existence of Supreme Consciousness and the need of spiritual practice.

AMPS Publication - Ananda Marga Elementary Philosophy

The spiritual philosophy of Ananda Marga recognizes that God is one, and that the universe is the creation of His mental thought-waves. Thus it is said: "Brahma is the absolute truth, and the universe is also truth, but relative."
