### **Beyond Basics - Acoustic Slide Guitar By Keith Wyatt ...**

I actually thought his Acoustic Slide Guitar book/CD was a better and more in depth intro to blues slide playing than this book, although most of that book covers open G tuning. It really translates either way to be honest: open G on acoustic is normally played open A on electric. Open D on acoustic is normally played open E on electric. So they end up being the same licks.

### **Beginner Blues Slide Guitar Lesson - Acoustic Slide Guitar ...**

Slide guitar is very much an American tradition, and when you play slide - especially on an acoustic instrument - it's hard not to sound American. Slide tones are so often heard in this context - on a film or TV soundtrack during a desert scene with a rattlesnake slithering past, for example. There is, of course, the equally rich tradition of slide in Indian classical music, but in the ...
