"Blood, Bread, and Roses" reclaims women's myths and stories, chronicling the ways in which women's actions and the teaching of myth have interacted over the millenia. Grahn argues that culture has been a weaving between the genders, a sharing of wisdom derived from menstruation. Her rich interpretations of ancient menstrual rites give us a new and hopeful story of culture's beginnings based on the integration of body, mind, and spirit found in women's traditions. "Blood, Bread, and Roses ...

She had, in her blood rites taken as a whole, complete power over all that humans depend on for their lives, all we had deciphered about the universe -- for, as I have argued, it was menstrual consciousness that first created all these elements. And so many of the rites involved silence, as though they were laid down during the long eras before speech, when action alone did the creating. Hers ...

The theory first emerged in her book Blood, Bread, and Roses. Although some believe that Grahn was a separatist due to her involvement in lesbian feminism, she states that her Metaformic philosophy was inclusive. Grahn also plays with language in her poem "The woman in three pieces". Lydia Bastida Tullis cites Grahn as emphasizing language's formal properties "by increasingly straining its ability to make 'sense,'" and ultimately calling into question "the speaker's (and reader's) ...
