Building Reliable Trading Systems: Tradable Strategies ...

Engaging and accessible, Building Reliable Trading Systems opens with a practical look at exactly what is achievable with a trading strategy. This includes documented performance from some of the best money managers in the world over the last five years, metrics that best characterize a trading strategy's performance, and a set of questions to help you define what would constitute a "tradable strategy" according to your personal risk-taking tolerance. It also addresses one of the biggest ...
