CCIE Enterprise Wireless Lab Workbook | CCIE LAB CENTER

The CCIE Wireless Workbook Volume 3 is the final workbook in our series. It uses full-scale mock labs as a way to both practice taking the lab, as well as to gauge your readiness to handle the real thing. This will be used in the final stages of your lab preparations since it builds on the skills learned in workbooks 1-2 as well as all of the other CCIE materials provided by Network Dojo. The workbook will contain 5 full-scale mock labs, each meant to replicate the lab in terms of format ...

CCIE Wireless Workbook Volume 3 - Network Dojo

The CCIE Wireless Workbook Volume 1 is the foundational workbook for CCIE wireless lab studies. It includes 120+ individual labs that allow you to practice topics and technologies one at a time. Best used as a companion to the CCIE Wireless Lab Video Series 1, it helps to ensure that you are comfortable configuring and verifying each technology in isolation. This helps the early learning process by keeping things simple and sets you up to handle higher-level learning topics addressed by our ...

CCIE Wireless Workbook Volume 1 - Network Dojo

The CCIE Wireless Workbook Volume 2 focuses on developing your verification and troubleshooting skills for the lab. This is the next step in your development after you have a solid understanding of configuring the technologies from scratch. Troubleshooting skills are critical to success in the lab. A lack of competency here will make it difficult to either earn enough points, or have enough time to pass. This workbook will help you to tackle both the diagnostic and configuration sections ...

CCIE Enterprise Wireless v1.0 Lab Workbook - CCIE Core

I purchased Fastlane CCIEW workbook & IPexpert Wireless Self Study Bundle since there were not many choices (only volume 1 was ready for v2.0 by that time & it took nearly 8 months to ready their remote racks for volume 2). Therefore I had to setup my own lab to do my preparations & that was another key success of my journey. I was fortunate to find few equipments for free from my company as we did some refresh in our wireless environment. This was my home lab with 2x4402, 1 ...
