Cobblestone American History Magazine for Kids January 2020. Within a couple of years of arriving in Mexico, Hernán Cortés conquered the Aztec Empire. Judith E. Harper. When Spanish conquistadores explored the land known today as Mexico in 1519, they were dazzled by its riches. They marveled at the majestic stone buildings that graced the cities of the Aztecs who ruled the area. Beyond the cities lay fertile, irrigated fields lush with corn and other crops. And marketplaces brimmed with a ...
