

### **3 Dirty Psychological Tricks to Get Your Ex Back - They Call Them Nasty, But They Work**

By: <http://www.MyGetYourExBack.com>

When you are fresh out of a relationship, whole gallons of wisdom are not enough to soothe your raging emotions. You are so consumed by your grief that you even fail to carry on with mundane chores and this can be quite mortifying. You are so addicted to your ex's presence that you just can't think of surviving without him. It is important therefore that you abide by the correct rules of resolving your differences instead of taking up methods at random.

You can only work your way up to your ex's heart if there is anything left in there for you. So prod on very well to ascertain if your ex still nurtures a soft corner for you or not. In case he does, your job would require a lot less effort as you will only need to kindle that warmth to get him loving you back again. Otherwise you may have to change course and improvise accordingly.

Play on their anxieties. Perk up their insecurities and poke their arrogance by feigning you are uninterested in them; you can even go a step further by pretending you are actually better off, without them. This will get them to sit up and take notice. The realization that they can lose you forever will scare the wits out of them and your ex won't be able to wait to ameliorate the differences.

Have you ever noticed, how when you least expect good things to happen, they start happening in succession? Ignore your ex, show that they are unimportant and they will go to any possible extent to prove their worth. So the idea is to have them on their toes. Perennially! Unless they keep pampering you, they don't deserve you!

Dirty Tricks Cops Use. Bart Rommel (1993) The methods really used by police officers are sometimes as ugly as the crimes they combat. (3) It's unfortunate that some police officers appear to concentrate on apprehending relatively minor offenders, and even innocent citizens, instead of hitting hard at heavy-duty felons. One reason is that it's safer to arrest a yuppie smoking a joint in his BMW than to shoot it out with a heavily-armed drug dealer. Another is the constant pressure for ...
