Eastern Front 1914 1917

A groundbreaking historical study, Norman Stone's The Eastern Front 1914-1917 was the very first authoritative account of the Russian Front in the First World War to be published in the West. In this now-classic history he dispels the myths surrounding a still relatively little-known aspect of the war, showing how inefficiency rather than economic shortage led to Russia's desperate privations and eventual retreat. He also interprets the connection between the war and the chaos that followed ...

The Eastern Front 1914-1917: Norman Stone, John Telfer ...

Norman Stone's important book is the first authoritative account of the Russian Front to be published in the West. Churchill called the Eastern Front 'the unknown war' and there is still no Soviet official history of the army's role during the First World War. It was in the East, with Russia in turmoil, that many decisive engagements took place.

The Eastern Front 1914-1917 by Norman Stone

The Russians have the opportunity to win the war on the Eastern Front. Romania: Transylvanian Gambit Russian successes bring the Austro-Hungarian Empire to the breaking point. The Romanians seize the moment to grab Transylvania from their once powerful northern neighbor. The Austrians have little left to hold off the Romanian invasion. An ad-hoc formation of Germans and Bulgarians counter-invade Romania from the south. Russia sends reinforcements to their new ally. Each side moves to seize ...

Amazon.fr - The Russian Army in the Great War: The Eastern ...

The sheer exhaustion of two out of three major combatants rendered the Eastern Front a military sideshow in 1917, as already indicated by Hindenburg and Ludendorff's transfer to headquarters on the Western Front in August 1916. Politically, and strategically, however, the Eastern Front remained important simply because its continued existence prevented the Germans from transferring large numbers of troops to the Western Front.
