Drawing together short stories, novelettes, and novellas published between 1971 and 1979, Fireflood and Other Stories nevertheless is a quality selection. Zoning in on McIntyre's penchant for intense, dark stories with human pain and transcendence at their core, it is a shame the collection is out of print.

Flood Stories . A flood myth or deluge myth is a symbolic narrative in which a great flood is sent by a deity, or deities, to destroy civilization in an act of divine retribution. Parallels are often drawn between the flood waters of these myths and the primeval waters found in certain creation myths, as the flood waters are described as a measure for the cleansing of humanity, in preparation ...
