Five Last Acts The Exit

Five Last Acts - The Exit Path is easily the best book I have read on the subject of self-deliverance (suicide to end unrelievable suffering). Chris Docker, the author, is clearly a scholar on the subject. The text is richly annotated with background material and references to original articles, a feature usually absent from writing on this topic. The content is authoritative. As a person familiar with the physiology of death, I found the explanations lucid, completely accurate ...
