Flowers (Eyewitness Explorers) (1564580237) by Burnie, David

Part of the "Eyewitness Explorers" series, this book includes practical information for children aged 7 and above with photographs and illustrations designed to help explain the concepts examined. This particular book is designed to encourage children to discover and investigate the world of flowers, fruit and seeds. The book looks at the structure and composition of a flower, including close-up photography of how petals are arranged, how a bud unfolds and how a dandelion ...

"Each Eyewitness Explorer is a feast of things to learn and projects to try. A colorful combination of photography and illustration is backed by clear explanatory text that makes new worlds of knowledge available for young readers. Beginning outdoor adventurers will find plenty of things to make or do, such as building a butterfly kite or recording the sights at the seashore. These field guides also teach children to respect the natural world as they play and learn."
