It exposes some of the misunderstandings which led various powers, including the United States, to believe that the Taliban could bring peace to Afghanistan and permit its reconstruction after years of destructive conflict. It also highlights steps that can be taken to assist the Afghan people to recover from the consequences of the fragmentation of their society, and its subordination to an anti-modernist force of a kind unprecedented in Afghanistan's recent history.

Composed of essays commissioned from the foremost experts on the Taliban, this anthology traces the movement's origins, its ascendance, the reasons for its success, and its role in the reconstruction of Afghanistan. Crucial to the Taliban's staying power as a governing force will be its relations with neighboring countries and with the West. Interestingly, given their intense hatred of Iran, the Taliban were enthusiastically supported by the U.S. government up to the very moment of their ...

Les dones de l'Afganistan són dones nascudes, que viuen o provenen de l'Afganistan.Els drets de les dones a l'Afganistan estan millorant, però molt lentament a nivell internacional. A través de diferents governants anteriors, com els mujahidins i els talibans, a finals del segle xx, les dones tenien molt poca a cap llibertat, específicament en termes de llibertats civils.
