Gold Prospectors Handbook

This is a great book with lots of valuable information for the beginning gold prospector!! It is well written and very informative. If you are just starting out on your adventure this is a must have informational guide. It helped me a lot in my new quest to find gold and keep up with my other half who has held this dream for a long time and did all his research. I just came on board after retirement and this was a quick learn guide!! Highly recommend this book!!
