Grandmaster of Chess: The Complete Games of Paul Keres by ...

Grandmaster Of Chess: The Complete Games Of Paul Keres, by Paul Keres, translated and edited by Harry Golombek, is a very great book. It is a tragedy that this book has gone out of print. The title of the book is a misnomer. It doesn't really contain the "complete" games of Paul Keres. The reason for this is that Keres originally wrote three separate volumes, The Early Games Of Paul Keres, The ...

Beginners will learn a lot about chess, and players with some experience will definitely revise, complete and put their knowledge in order. Since, the book has a form of a dictionary, it is easy to go through and find things. Some information, however, e.g. openings are discussed too cursorily for me, it just gives you a general idea and information. But that has its advantages too, because as ...
