### **History of American conspiracies: a record of treason ...**

In 1964 it was reported that the American navy were attacked by three Vietnamese boats in the gulf. This was used by the American government to justify the expansion of the Vietnam war. The American public and congress considered retaliation acceptable because of this, which essentially marked the beginning of the Vietnam war. It was later revealed that literally half of the incident never happened. It was just made up by officials. If not for the made up part, the American public may not ...
