To resolve my wondering, I wrote down how I ski, and for originality, titled it How I Ski

(with the added tagline: Expert Alpine Skiing Demystified!). The book described my skiing approach and how and why it works, along with advice for different skiing situations, and how to practice skiing-related movements when t on the hill. Throughout, I sought brevity, relevance and clarity, aiming at maximum impact for minimum reading time. The response to this first edition confirmed its value, and ...
