How Many Grapes Went into the Wine: Stafford Beer on the ...

If you are growing grapes on an arbor or trellis: Grow the grapes, one per post, selecting the strongest cane. Allow it to grow to the top of the post the first year, securing it to the post as it grows. The first winter top the cane and allow it to grow side branches along the top of the arbor. If you let the vines just continue to grow, they will produce dense shade, but little fruit. Prune ...
