The most basic way of saying no without ruining anyone else's day is to clearly and plainly say "no," followed by a brief, succinct reason why you said no. Contrary to popular belief, there's no need to lie or make up an excuse if you don't feel yours is good enough - remember, everyone has felt the same way you do right now. If you just don't feel like granting a request, that's all the excuse you need. No specific, concrete, or logical reason is required.

### **How to Say No - YouTube**

Like most people, your natural instinct is probably to help others when you can. But sometimes, you just need to say "no." Whether you're declining an invitation to a party or turning down a new project at work, you can say no while still being respectful. Give yourself some ground rules and be thoughtful in your response. If you feel it's necessary, you can also provide a reason for your answer. Whatever the situation, be clear, polite, and firm when saying no.
