The two sounds most frequently repeated are those rendered by the letters “Cthulhu” and “R’lyeh”. On March 23d, the manuscript continued, Wilcox failed to appear; and inquiries at his quarters revealed that he had been stricken with an obscure sort of fever and taken to the home of his family in Waterman Street. He had cried out in the night, arousing several other artists in the building, and had manifested since then only alternations of unconsciousness and delirium. My uncle at ...

Third, I have been most fascinated with what Lovecraft called his pseudomythology of Cthulhu and Yog-Sothoth. This is what we call the “Cthulhu Mythos” (though this terminology has been hotly debated for some years now since some feel it has been irreparably tainted by the association with distortions of Lovecraft’s original concepts).

Cthulhu is a Great Old One of great power who lies in a death-like slumber beneath the Pacific Ocean in his sunken city of R'lyeh. He remains a dominant presence in the elderich dealings on our world. The most detailed descriptions of Cthulhu are based on statues of the creature. One, constructed by an artist after a series of baleful dreams, is said to have "yielded simultaneous pictures of an ...

Robert M. Price, in his essay "H.P. Lovecraft and the Cthulhu Mythos", sees two stages in the development of the Cthulhu Mythos. The first stage, or "Cthulhu Mythos proper" as Price calls it, took shape during Lovecraft's lifetime and was subject to his guidance. The second stage occurred under August Derleth who attempted to categorize and expand the Mythos after Lovecraft's death, writer

The Cthulhu Mythos is a shared fictional universe, originating in the works of American horror writer H. P. Lovecraft. The term was coined by August Derleth, a contemporary correspondent and protégé of Lovecraft, to identify the settings, tropes, and lore that were employed by Lovecraft and his literary successors. The name Cthulhu derives from the central creature in Lovecraft’s seminal short story "The Call of Cthulhu", first published in the pulp magazine *Weird Tales* in 1928 ...

In Lovecraft’s case, the influences of fear, insanity, dark secrets, and the insignificance of humanity on a cosmic scale in the face of powerful alien entities were part of the tapestry he used to weave these tales. Combined with the dark imaginings of those who have gone before he birthed what would come to be known as the Cthulhu Mythos.
