Identifying Lies in Disguise by Wendell C. Rudacille

Identifying Lies In Disguise is a law enforcement training manual on how to detect deception in verbal behavior. It is also the name of a verbal-based interviewing and interrogation training technique. During investigative interviews and interrogations, most untruthful persons (suspects, victims, and witnesses) do not lie to by telling direct lies. They lie indirectly, using subtle forms of verbal evasion, or disguised lies.

Law-Tech Consultants, LLC | Identifying Lies In Disguise

IDENTIFYING LIES IN DISGUISE--is a specialized self-training course and a guide for ALL Law Enforcement, Private Investigators, Criminal Justice and Legal and Security Professionals, as well as a wide variety of other professionals who NEED to know whether a suspect or subject is telling the truth or disguising the truth within a lie, or vice-versa, and who desire to improve their abilities to determine the truthfulness of persons involved in all types of criminal activities and ...

All About Identifying Lies In Disguise

Identifying Lies in Disguise is constructed around the author's study of 100 individuals involved in criminal investigations as victims, witnesses, or suspects. From 1989 to 1991, the author, a police polygraph examiner, collected spoken or written narratives to questions posed during the pretest interview phase of the polygraph examination. The study, which is included in the book, directly supports many of the conclusions the author has reached.

Identifying lies in disguise (Book, 1994) [WorldCat.org]

Lies in Disguise was inspired after much self-exploration, discovery of unconscious beliefs, thinking patterns, and defence mechanisms, that were created to self preserve after trauma and neglect. I found out that most, if not all, of my Borderline Personality traits, stemmed from a broken and flawed core belief system.
