Born in 1958, Nev Power is a country boy, and the media's version of his biography is as well-worn as a back-country stock route. Young Nev grew up on a cattle station called Bushy Park outside Mt Isa. His family still owns the property, and Nev loves nothing better than to get back up there for the muster season. He started his working life at fifteen as an apprentice fitter and turner. He ...

The Inside Story—Understanding the Power of Feelings © Copyright 2002 HeartMath LLC They are very fast, even faster than thought. They're invisible—we can't see them and often don't even know they exist. At other times, they're as loud as a thunder-storm booming inside us, visible on our faces and in the way we move. Without them, we can't enjoy food,

Dozens of governments have already committed to phasing out coal-fired power, and ultimately to a fully carbon-free electricity supply. Even Germany, long dependent on coal, says it will close all coal-fired power stations by 2038. Going beyond electricity, France and Britain have committed to ending sales of petrol and diesel cars by 2040, and China, the world's biggest market, seems likely ...
