Advanced Introduction to International Political Economy ...

In the book titled "Introduction to International Political Economy" (IPE), the authors - David Balaam and Bradford Dillman - analyze a number of complex issues of international and global economies in a comprehensive way. The book is structured into five parts representing a completed entity both from the theoretical and practical viewpoints. In the first part of the book, titled Perspectives on International Political Economy (Chapters 1-5), the authors present the key conceptual ...

Introduction to International Political Economy | Jahangir ...

The Introduction to International Political Economy (6th Edition) is the textbook we use in my course "The Global Economy" at NYU. This is a wonderful book, packed full of very useful and current information. It covers the early development of globalization, the Global Recession that hit in 2007, the Obama Administration, and more. I highly recommend this textbook to anyone studying Economics, Political Science, International

Relations, and for those that are just interested in the topic of ...
