Yesterday a copy of Invest The Happonaire™ Way (ITHW) was personally given by me to billionaire investor- Rakesh Jhunjhunwala. He is rumoured to have started with Rs. 5000 and today is worth over Rs. 4000 crores. All that wealth has been created by him through the Indian stock markets in a little more than two decades. Quite impressive and something which should motivate all of us to invest in knowledge so that we too can create wealth over a period of time.
