From the early landmark ...

Legendary Decorators of the Twentieth Century | Semantic ...

22 decorators are featured in this book which is illustrated by Hampton's watercolors of some of their rooms. Most of the designers I am familiar with, but there were some I hadn't heard of. These read like mini-talks on the designers. Hampton liked to give lectures or talks on facets of the design world. He was always researching his field, so these written vignettes on the designer are ...
