Mountaineering: The Freedom of the Hills is often considered the standard textbook for mountaineering and climbing in North America. The book was first published in 1960 by The Mountaineers of Seattle, Washington. The book was written by a team of over 40 experts in the field. The book grew out of the annual climbing course run since 1935 by the Mountaineers, for which the reading material was originally a combination of European works and lecturers' mimeo outlines. These were ...

"The 2nd edition of Freedom of the Hills (as well as pictures of Bonatti in an old REI catalog) jump-started my climbing education. The manual's content has kept pace with the evolution of the sport and should be considered mandatory reading for every mountain climber. This truly remarkable resource has no equal in any language."--Mark Twilight
