[Narses Hammer Of The Goths](#)

Narses Hammer Of The Goths

Narses the Eunuch served as a court official in Constantinople for most of his life, his survival for so long in a hot bed of intrigue li On a par with all these, and serving as a link, was a small Armenian who has largely been forgotten by later historians.

Narses: Hammer of the Goths is about the Roman general Narses who served the emperor Justinian in his reconquest of the West in the 6th Century AD. He is not as famous or successful as his predecessor Belisarius, but he showed considerable talent for someone who spent most of his life in court. I'm actually rather surprised (and pleased) that somebody bothered to write a book about him. He was undoubtedly an interesting man (how many other fighting eunuchs do you know), and his career comes ...

Narsès — Wikipédia

The reasons why the Goths attacked horseless is unknown, but the suddenness of the attack seemed to be the reason that Narses fought horseless as well. The ensuing battle was fought for two days and Procopius described the bravery of King Teias. He first introduced the battle as “a battle of great note,” and the heroism displayed by King Teias was not “inferior to any of the heroes of legend.”

Narses as a topic is an interesting one: a eunuch and general in Justinian's army, he was instrumental in the short-lived reconquest of Italy from the Goths.
