A nineteenth-century aristocrat, Nishi Amane (1829-1897) was one of the first Japanese to assert the supremacy of Western culture. He was sent by his government to Leiden to study the European social sciences; on his return to Japan shortly before the climactic Meiji Restoration of 1868 he introduced and adapted European utilitarianism and positivism to his country's intellectual world. To modernize, Nishi held, Japan must cast off the bonds of the Confucian world-view in order to adopt new ...

Nishi Amane and Modern Japanese Thought on JSTOR

Nishi on Politics and Current Events There is a certain timelessness about the thought of Nishi Amane at the height of his scholarly productivity, a quality of semi-detachment from both the events of early Meiji his tory and his official duties in the Military Department and its successor, the Ministry of War (Rikugunsho). To some

Nishi Amane — Wikipédia

Nishi Amane is considered to be the father of Western philosophy in Japan. Nishi was a tireless advocate of Western civilization as a role model for Japan's modernization, stressing the need to evolve without losing the Japanese character. He was responsible for using classical Chinese terminology to translate and/or transmit common terms used in Western Philosophy into Eastern dialect, and many of these philosophical words are currently in use today.

Nishi Amane and Modern Japanese Thought: Havens, Thomas R ...

Japanese philosophy has historically been a fusion of both indigenous Shinto and continental religions, such as Buddhism, Taoism and Confucianism. Formerly heavily influenced by both Chinese philosophy and Indian philosophy, as with Mitogaku and Zen, much modern Japanese philosophy is now also influenced by Western philosophy
