### On The Move lity

On the Move (OTM) aims to facilitate cross-border mobility in the arts and culture sector, contributing to the building of a vibrant European shared cultural space that is strongly connected worldwide. Born as a website, it has evolved into a dynamic network which now includes 50+ member organisations and individuals in Europe and internationally.

### On the Move | Cultural Mobility Information Network

The Ministry of Culture of Taiwan and the Taiwan Art Spaces Alliance (TASA), in collaboration with On the Move, have co-produced this first guide to funding opportunities for the international mobility of artists and cultural professionals in Taiwan. More than 100 funding schemes and additional resources are listed in this first 2020 edition of the cultural mobility funding guide focused on Taiwan.

The Move were a British rock band of the late 1960s and the early 1970s. They scored nine top 20 UK singles in five years, but were among the most popular British bands not to find any real success in the United States. Although bassist-vocalist Chris "Ace" Kefford was the original leader, for most of their career the Move was led by guitarist, singer and songwriter Roy Wood.

"Move It" is a song written by Ian Samwell and recorded by Cliff Richard and the Drifters (the UK band that would later become "The Shadows"). Originally intended as the B-side to "Schoolboy Crush", it was released as Richard's debut single on 29 August 1958 and became his first hit record, reaching number 2 on the UK Singles Chart. It is credited with being one of the first authentic rock and ...
