tice of family medicine were added in the edition of 1989. The book and the ideas it presents have grown with the development of the discipline. Important themes run right through the book. For example, the process of clinical reasoning and narratives of illness emerge in many chapters, with cross-references to other chapters and to case reports. We have visualized the book as a whole, rather ...

Textbook of Family Medicine - simidchiev.net

The series began with the publication in 1985 of the beloved Oxford Handbook of Clinical Medicine. Starting life as handwritten notes to help the authors get through their junior doctor years, it is now the world's best-selling medical handbook. Since then the series has grown to around 50 books, covering medical specialties from paediatrics to geriatric medicine, and more. Titles fall into ...
