Night Fishing at Antibes. Picasso spent the war years in Paris, during the Nazi occupation. He returned to Antibes as soon as the war had ended - with a new lover, the young French artist Françoise Gilot. The works in the collection of the Museum are representative of the period of the late 1940s and early 1950s - one of great happiness and creativity in the artist's life, in which he produced great works in both painting and

ceramics.
