Your Guide to Marketing Campaign Management | Smartsheet

Fundraising and Donation Management. When political campaigns aren't doing events or going door-to-door to petition for their candidate, they're spending every waking moment raising money to keep the campaign train rolling. Usually it's true that "you need to spend money to make money," but why does this also have to apply to the software you use to fundraise? It doesn't. And, in ...

POLITICAL CAMPAIGN PLANNING MANUAL

A campaign management system (CMS) is a software solution designed to handle the various components of a marketing campaign. Although it uses the same acronym as content management system (CMS), and their designs may be similar in some ways, they are conceptually different. A content management system identifies and tags individual pieces of marketing content on their way through the creation, design and distribution process. In contrast, a campaign management system is designed ...
