Pre-foreclosure typically begins when you fall "two to three months behind on your mortgage," AND your lender serves a notice of default. Fortunately, there are still options during this stage, and investors can bring a lot of benefits to the table by getting involved with the home owner during this period.

5.0 out of 5 stars The Pre-Foreclosure Property Investor's Kit. Reviewed in the United States on November 20, 2010. Verified Purchase. In the beginning I want to scold the publisher WILEY. They appear to cutting costs by using 50% less ink than norm. The print is fine and hard to read. Now the positive stuff. This is one of the most complete instruction manuals for a real estate investor. In ...

When buying a foreclosure investment property, the seller is typically motivated. Therein lies the true benefit of working with distressed properties: motivated sellers. Due, in large part, to the homeowner's inherent need to sell his or her property as quickly as possible, an investor may leverage their position to facilitate a deal that benefits both parties involved. The following list ...
