Shoji And Kumiko Design

In Shoji and Kumiko Design Book 2 Beyond the Basics, Des King continues on from where he finished with Book 1 The Basics, and takes instruction in shoji patterns and kumiko art to the next level. Book 2 explores much more complex kumiko arrangements with two stunning shoji projects, and an extensive array of beautiful and intricate kumiko patterns, ranging from relatively simple, to highly advanced. He provides detailed instructions with more than 500 photographs and diagrams on how to make ...

Kumiko Patterns. Kumiko are the thin pieces of wood that make up the standard grid of a shoji screen. In addition to the linear grid-work, decorative patterns can be fit within the grid to accent the design and add interest. Shown here are a few of the decorative patterns that have been used on Big Sand Woodworking projects.
