Six Sketches of Multiples, August 17, 2020 - posted in Double Star Observing: Six Multiples on the Night of August 17, 2020 It was not a bad night for a trip to the summit although the seeing index wasn't promising anything spectacular. As it turned out, it was a "better than average" night for observing with low humidity, light wind and 52° F temperatures.

### 6 lithographs by Honoré Daumier (1808-1879) - Six sketches ...

Five of the six pieces are dedicated to musician colleagues; all flautists except Walter the percussionist. The sixth is to myself, perhaps a portrait of the artist as a young boy. These compositions, however, are not really meant to be portraits, just pieces dedicated to people I work with, and to some extent inspired by how I see them, so I have called them Sketches. The Sketches offer short ...
