Spirits in rebellion; the rise and development of new ...

Spirits in Rebellion: the rise and development of New Thought tells the story of how brilliant thinkers, metaphysicians, and mystics of the 19th century in America birthed a new understanding of the life and teachings of Jesus. This book works as both an excellent history, and as a mind-expanding sampling of their ideas and realizations.

Spirits in rebellion : the rise and development of new ...

Spirits In Rebellion has opened my mind to the amazing life work of many early Americans and people around the globe. This is not always an easy read due to the language structures used. I found I had to pay careful attention while reading this in order to fully understand some parts. There is an enormous amount of healing and other knowledge in this book. I found it helped me better ...
