When was the boom? And what did this period mean? Late 50s and early 60s - it was the period in which South American fiction arrived on the global stage, wins prizes, attracts attention and gains prestige. Why was the world interested in Spanish and Latin American fiction? It was a tumultuous time in Spain and Spanish America due to the dictatorships and everyone was interested to see how this Read More

The greater attention paid to Spanish American novelists and their international success in the 1960s, a phenomenon that was called the Boom, affected all writers and readers in that period. What mainly brought writers together and focused the attention of the world on Hispanic America was the triumph of the Cuban Revolution in 1959, which promised a new age.

What happened in Spanish American fiction after the Boom? Can we define the Post-Boom? What are its characteristics? How does it relate to the Boom itself? Is Post-Boom the same as Postmodernism or something quite different? Shaw traces the emergence of a different kind of writing which began to displace the Boom in the mid-1970s and has flourished ever since. More reader-friendly, more ...

Latin American Boom. The Boom is a period starting in the 1960s when a whole range of innovative novels were written by Latin American authors. The novels had certain

things in common. They were invariably written by men. Many of the men were in exile, in Europe or the United States. They all tended to be highly literate and well-read in world literature. Many of them had strong left-wing ...
