Sex, drugs, and rock and roll... oh my! When Karina Halle said that we were in for a wild ride with this book, she wasn't kidding. As her first book outside of the Experiment in Terror series, I'd say she knocked it out of the park. The Devil's Metal is told from the perspective of our narrator, Dawn.

The Devil's Metal is the first book in a two-part New Adult Horror/Paranormal Romance and very (very!) loosely based on the author's exploits as a music journalist. Hell comes in different forms. Another amazing novel from Karin Halle - every bit as addictive as her Experiment In Terror series. The Devil's Metal follows 21 year-old music lover Dawn Emerson. Dawn has aspirations of becoming a serious music journalist and her big break comes in the form of a job she never expected in her ...

BOOK REVIEW - The Devil's Metal (Devils #1) - Karina Halle Overview: All Dawn

Emerson wanted to do was write. Being an avid fan of Rock n Roll, her dream of becoming a respected music journalist was always going to be a rough ride, because in 1974, the only thing women were good for was knowing their place. With the feminine movement in full swing, a new age was dawning and women found that they were finally being given a voice. So when Dawn receives a call from the Editor of ...

The first novel in The Devil's series, The Devil's Metal, is one of my favorites of the many novels written by Karina Halle. It is a creepy, terrifying story about a music journalist named Dawn Emerson who travels on tour with the 1970's era rock band Hybrid. It is also the story of Sage Knightly, and the deal he made with the Devil. Since finishing that novel, I have been patiently anticipating the follow-up novel, The Devil's Reprise.

### **Amazon.fr - The Devil's Reprise - Halle, Karina - Livres**

The Devil's Metal contains the basic four things of the 1970's, alcohol, drugs, sex and rock'n'roll. The four things that was basically shunned by many during that time (if I am not mistaken). And the four things that brought this book to life. And the fact that the book was almost based on the authors real experiences, made the storyline even more intriguing. Dawn is a writer and a music lover. And if you mix them together, you'll have a very talented music journalist, who gets a ...
