X(A/N)th's presence there also returned magic back to the Land of Xanth. The demon planned to eliminate the existence of any creature who knew of his presence there, in the cave, but was convinced by Bink to let them live, and instead the magic shield would be placed to block the entrance of the cave containing X(A/N)th. The demon was convinced by Cherie to give Bink a reward for freeing him, which was that all of Bink's descendants would have Magician-Caliber talents, but also gave Bink an ...

Xanth is a fantasy world created by author Piers Anthony for his Xanth series of novels, also known as The Magic of Xanth. Anthony originally intended for Xanth to be a trilogy, but a devoted fan base persuaded the author to continue writing the series, which is now open-ended. Anthony has stated that he has kept the series going as long as he has because the Xanth novels are "just about all that publishers want" from him.
