### **The Private Life Of Rabbit**

Written with an evident love of animals and nature, The Private Life of the Rabbit presents a completely new picture of the wild rabbit and its way of life. Mt. Lockley, who observed rabbits in Wales over a 5 year period, shows that they have a complex community life little understood by the world in general.

Written with an evident love of animals and nature, 'The Private Life of the Rabbit' presents a completely new picture of the wild rabbit and its way of life. Mt. Lockley, who observed rabbits in Wales over a 5 year period, shows that they have a complex community life little understood by the world in general. These vegetarian creatures possess both dignity and 'animality'; psychological factors play as large a part in shaping their lives as they do in ours. One finds, too, that their ...
