### **The Soviet Military And Communist**

The Soviet Army came to back a Soviet-friendly communist government threatened by a multinational, mainly afghan, insurgent groups called the mujahideen. The insurgents received military training in neighboring Pakistan, China, and billions of dollars from the United States, Saudi Arabia, and other countries. Technically superior, the Soviets did not have enough troops to establish control over the countryside and to secure the border. This resulted from hesitancy in the

War communism or military communism was the economic and political system that existed in Soviet Russia during the Russian Civil War from 1918 to 1921. According to Soviet historiography, the ruling Bolshevik administration adopted this policy with the goal of keeping towns and the Red Army stocked with food and weapons since circumstances dictated extreme measures as the ongoing civil war disrupted normal economic mechanisms and relations. War communism began in June 1918 ...

### **War communism - Wikipedia**

Conscription was used by the Soviet Union for the duration of its existence to bolster military function and operations. Conscription was introduced into what would become the Soviet Union in 1918, almost immediately after the Bolshevik Revolution of 1917 to strengthen the forces of the Red Army.Following its introduction, conscription remained a constant presence in the Soviet state until its ...

While the Soviet military had predicted that it would take four days to subdue the country the resistance held out for eight months, and was finally circumvented by diplomatic maneuvers. There were sporadic acts of violence and several suicides by self-immolation (such as that of Jan Palach), but there was no military resistance.
