### **The Timechart History Of World**

What a great way for my homeschooled kids to study world history! This timechart is a valuable tool for the visual learner! The high-gloss, and colorful illustrations bring to life the histories of the world from a Biblical worldview in an easy-to-read linear format. The timeline uses Usher's chronology of the world that begins in 4004 BC with Adam and Eve.

The timechart is based on an original Victorian wall chart, published in 1890. It follows the entire history of mankind and shows what was happening concurrently around the world with illustrations of many major events, discoveries and prominent people. While maintaining the Victorian design, the chart has been updated and extended so that the time stream continues into the twenty first century, right up to the present day. There are maps and charts, and on the reverse of the timechart there ...
