Tilting The Playing Field Schools

Tilting the Playing Field: Schools, Sports, Sex and Title IX by Jessica Gavora is exceptionally well written and researched. One could do worse than read this book to get an overview of what is going on with Title IX and its effect on school funded sports. In all honesty, I have little interest or background in this subject. However, since I knew the author and had been impressed by some of her writing and verbal arguments on other subjects; decided to invest some time in learning ...

Tilting the Playing Field: Schools, Sports, Sex and Title ...

Tilting the Playing Field is a trenchant insider's look at how one law—and its unintended consequences—has affected our view of sports, sex, and schools.

Tilting the Playing Field: Schools, Sex, Sports, and Title ...

But if Title IX has tilted the college playing field, Gavora suggests that its greatest impact on American social life may still lie ahead as the federal bureaucrats, activist judges, and radical feminists who have shaped the statute's interpretation now seek to expand its reach into sexual harassment and other areas of education where boys and girls have to conform to their notion of "gender equity." "Tilting the Playing Field" is a trenchant insider's look at how one law—and its unintended ...
