### **Amazon.fr - The Vandal's Crown: How Rebel Currency Traders ...**

Vandal's Crown is written with an easy and enjoyable style that makes a potentially difficult subject fascinating. You do not need a lot of prior knowledge about financial instruments to follow it as he clearly explains the basic hows and whys of each of them. Also, he interweaves relevant anecdotal text that has you smiling as you learn. My primary complaint is that the overall structure of the material makes it a bit difficult to see the themes of the book until you are well into the ...

### **The Vandal's Crown: How Rebel Currency Traders Overthrew ...**

Admittedly journalistic and anecdotal, The Vandals' Crown spends much of its time on the personalities behind the new trading strategies and financial instruments that have radically accelerated the rate at which capital can be deployed. Millman takes the reader a very long way toward knowing how a handful of anonymous currency speculators can, in an instant, wreak havoc on international finance. This is a fine book as well, and a splendid complement to Solomon.

As the U.S. dollar was de-linked from gold—effectively in the late 1960s and officially in 1971—a new source for monetary discipline had to be found. This is where The Vandals' Crown shines. Millman tells the story of how currency markets developed and grew, and eventually how more powerful, efficient, and integrated financial markets now work to impose some checks and balances on both government fiscal and monetary policies.

In this sense the vandals -- call them banksters -- are worse than the mafia. At least the mafia have a code of conduct. The vandals have no scruples whatsoever. They would sell their own mothers down the river for a buck. In recent days they have shown in Ukraine that they are perfectly willing to take us to the brink of nuclear war -- to oust Putin.

### **Vandal's Crown: Gregory J. Millman: Amazon.com: Books**

The Vandals were a Roman-era Germanic people who first appear in written records inhabiting present-day southern Poland. Some later moved in large numbers, including most notably the group which successively established Vandal kingdoms in the Iberian Peninsula, on western Mediterranean islands and in North Africa in the 5th century. The traditional view has been that the Vandals migrated from southern Scandinavia to the area between the lower Oder and Vistula rivers during the 2nd ...

In The Vandals' Crown, Gregory Millman paints a vivid picture of the new revolutionaries, both the famous and the little known, and he reveals the inside story of the revolution that has stripped governments of their power to control money. Today, traders have taken the law into their own hands. Like vigilantes, they enforce fundamental economic laws not for love of law but for profit ...

Cheshire police are appealing for information after a children's play area was set alight twice in the space of 24 hours. Play equipment at the park on Lysander Drive, Warrington, was targeted twice by vandals over the weekend, the first incident taking place on Saturday night (September 26) at 10.05pm, with arsonists striking again on Sunday (September 27) at 10.04pm.

If you were to infatuation such a
