Amazon.fr - Violent Memories: Mayan War Widows In ...

The Widows Widows* own accounts of their experiences of extreme violence and terror daring la violencia — which they have been forced to 'forget' — form the basis of this book. This intense internal war created an unprecedented number of widows in rural Guatemala, a fact which the nation largely wants to 'forget' as the civilian government strides towards a new era built on the sandy foundations of a rewritten past. The women whose voices appear here are all of Mayan descent and, until ...

Violent Memories: Mayan War Widows In Guatemala - SILO.PUB

This local study of the impact of political violence on a Maya Indian village is based on intensive fieldwork in the department of El Quiché Guatemala, during 1988?1990. It examines the processes of fragmentation and realignment in a community undergoing rapid and violent change and relates local, social, cultural, and psychological phenomena to the impact of the war on widows' lives.Zur combines a narrative, life-history approach with anthropological analysis, emphasizing the way people talk ...

Violent Memories Mayan War Widows In Guatemala English Edition

That is, they are both victims of war, violence, militarization, and relentless exploitation and they are among its survivors. By this I mean that Mayan widows not only escaped death during a brutal reign of terror, but that they are reworking their lives in ways that accommodate, subvert, and contest a lived reality not of their own making. By 1984 many people began to repopulate their ...

Violent Memories: Mayan War Widows in Guatemala. Boulder, CO: Westview Press, 1998. This book takes the lives of many Mayan widows and their families and puts them into writing. Due to security reasons, Zur discussed how she was unable to include the names of families in the material. This book also discussed everything during the time before "la violencia" to everything that happened as a cause of it. The book also discussed the treatment of people throughout the whole event.

This local study of the impact of political violence on a Maya Indian village is based on twenty months intensive fieldwork. It examines the processes of fragmentation and realignment in a community undergoing rapid and violent change. The thesis relates local, social, cultural and psychological phenomena to the impact of the contemporary "dirty war" on widows' lives. Victims are mostly civilians caught between guerrilla and government forces. Violence is treated not as a socio-culturally ...
