### **Why Not Say It Clearly, A Guide to Scientific Writing**

Lester S. King, MD, has produced the best book on scientific writing I have read (and I think I have read most such books as well as many essays intended to guide would-be writers). The 11 chapters flow easily and readably from first ("The Present Scene") to last ("Setting Up a Course in Medical...

Say It Clearly training programmes are designed by speech expert Miriam McKenzie (Erikson). Say It Clearly Ltd offers customised speech training to children, teachers, business professionals and speakers of other languages (ESOL). Through any of Miriam's training programmes you'll learn to articulate with clarity, to relax and "be yourself" in stressful situations, to speak with confidence and ...
